## CODE OF ETHICS For Healthcare Certifications

By signing up for American Education Certification Association exam and on successful completion of the exam, I agree to abide by all the mentioned code of ethics as a certified American Education Certification Association professional.

- I shall maintain and respect all the clients, staff members and colleagues of the facility in which my professional duties will be rendered .
- I shall respect the privacy and modesty of the clients and in no way breach the standards of privacy intentionally or unintentionally.
- I shall maintain my professional skills and knowledge by attending continuing education units for my professional discipline.
- I shall not participate in any such form of activities which will lead to injury to the client, customer or myself under my professional discipline.
- I shall be responsible for all my mistakes made and shall strive towards corrections, so that they don't happen again.
- I shall not withhold anyone responsible for my deviation from the standards of care.

I as a candidate pledge and agree to maintain high standards of professional duties under my professional discipline for which i will be certified by American Education Certification Association.
